Who are they?
My bastard son Augustus has forged an alliance with Little England.
So, Skyships, who've circumvented my defences, wards and various alerts...
...and are bringing their godforsaken weapons to attack a *vampire fortress* during the safety of the *day*.
What can you do?
I... don't know. I...
I... don't...

Is that a total eclipse?
Wow. That's lucky.
It is.
